Dear Parents,

As a part of the Every Student Succeeds Act (ESSA), all Title I schools, as well as the district, are required to develop a Parent and Family Engagement Policy and invite parents and family to be a part of its annual revision. On March 27, 2018, school representatives, parents, and family members met to revise the 2017-2018 Parent and Family Engagement Policy.

Enclosed is a copy of the revised 2018-2019 Parent and Family Engagement Policy for Jordan Hill Elementary School. This policy details multiple ways for parents and family to be involved in educational processes. Research repeatedly shows that parent and family participation and engagement pays huge dividends in terms of a child's academic success.

If you have any questions or comments regarding the Parent and Family Engagement Policy, please feel free to contact us. We look forward to a great school year!

Sincerely,

Heather Ingram and Kim Holden
